

BUILDING YOUR FUTURE

Capability Statement

Mikat Constructions Pty Ltd has an exceptional skill base. Our recruitment procedures take particular account of work ethic and values, and we take the time to recruit people who share the qualities of our company culture.

We are a team of unusually strong-minded people who are driven by similar values and a common work ethic. Together we have a need to get it right.

We recognise that it is our diversity which makes us a team. We value that we each have different strengths and skills and have the ability to use these differences and strengths in our teamwork. We believe that there is no substitute for doing it right the first time and our shared mission is Quality on Time.

Our individual commitment to our Company ethos guarantees our consistently giving our best in any project we undertake, which is reflected by the many Awards we have received from QMBA. Mikat Constructions Pty Ltd was established in 1995 starting as a Small Company (with a Team of one) Mikat has grown to a Team of Nine and has completed projects up to \$20,000,000

Mikat Constructions is a medium size construction company specialising and experienced in architecturally – detailed upmarket residences, retail, commercial, industrial units, warehouses, educational, child care centres, aged care facilities and townhouses.
